Dance City & the Arts LLC reserves the right to cancel classes based on enrollment. During recital production week, the rehearsal schedule will change from the dancer's normal class day and time. If a student discontinues a class you will need to fill out and sign a class discontinuation form. **Thirty Days Written Notice is Required to Cancel and Stop Payments.** Students are not permitted in class and solos are not permitted if a customer is 30 days or greater behind on tuition payments. If any student's tuition is 60 days behind or greater for more than 10 days, all future tuition payments must go through the auto pay system or the entire balance must be paid in full for the season.

I understand that there may be cancellations (weather, etc.) that will not affect the amount of the total tuition, as cancelled classes may be made up in a similar class.
